I, the undersigned, in consideration of the sales, service and selling price stated herein, do hereby agree that I will abide by the sales policies of the LSC Lackland Thrift Shop are as follows:

1) The Thrift Shop will retain **a 25% commission** of the selling price on all articles accepted for consignment with a **minimum price of $2.00**. **We reserve the right to reject any item for consignment at any time.**

2) At the end of the **6-week consignment period** any unsold items must be personally withdrawn by close of business on the expiration date. If not, all items become Thrift Shop property. It is the consignor's responsibility and will not receive further notification of the expiration of items. The fee for withdrawing an unsold item on or before the expiration date is **10% of the ORIGINAL PRICE** or ($15.00) MAXIMUM. Items can't be re-consigned for at least 2 weeks.

3) Consignor checks are available monthly at the shop and will include a **$2.50 processing fee**. Checks will not be printed until they total $17.00. Checks are valid for **90 DAYS** from the date of issue and when expired will not be reissued. Consignors may provide a SASE to receive check in the mail.

4) Within the consignment period, articles may be marked down once by the consignor and must be changed and initialed at the Customer Service Register. The Thrift Shop may call at any time during the contract period to request a price reduction of a consigned item priced $50.00 or more. This does not extend the expiration date. Re-consignment of larger items is at the discretion of the manager and must be reduced by 25% or more.

5) **The Thrift Shop will not be responsible in case of destruction by fire, theft, loss or damage of any kind and will not be responsible for locating any misplaced or missing items.**

6) Shoplifters will be prosecuted and lose all Thrift Shop privileges.

7) Private sales within the Thrift Shop or on the Thrift Shop property are strictly forbidden. Sales of items will occur only after the items have been processed through normal consignment procedures. Violations will result in loss of Thrift Shop privileges for seller and buyer.

8) The Thrift Shop is not to be used as a resale outlet for any individual(s) financial gain, but is only to be used for the sale of merchandise owned by the individual(s) that is no longer desired.

9) Any large item purchased, such as furniture, must be picked up within three (3) business days or said items will become Thrift Shop Property. Thrift Shop volunteers are not responsible for loading or unloading large items.

10) Any bags, boxes, or carryalls used to bring in consignments may not be carried on to the sales floor.
